

A Vital Element in Keeping the [Piece]

peace a
glacier magnetic stretch of molecules

Pliocene epoch while
oceans weren't so
continents were mountains

pieces of
glaciers in my mouth

in dismal be Wolstonian
stage, after
Hoxnian,

is peace,
glaciation before lounge was mild

d le glacia, see bipeding
hunting pack and the
ice rolling,

appease
glaciations with mammoth lunch machete

1.8 million old fossils humus
erectus showing Proboscidea
meat probably in teeth

peace is a
glacial mammoth in this machine

registering one
bullet, predator
drone, metal suits
